

## **A Great Birdie Bread Recipe**

- 2 boxes of Jiffy Corn Bread/Muffin Mix
- 2 eggs (crush the shells in blender/food processor)
- Apple or carrot juice, as called for in recipe
- Large jar of baby food sweet potatoes or squash
- Large jar of baby food green vegetables with rice
- Fresh broccoli put through blender/food processor
- Fresh carrots put through blender/food processor
- Handful of fresh walnuts and almonds put through blender/food processor

Mix all ingredients well and place in greased baking dish. Bake according to package instructions (a little longer with added ingredients). Cool, cut into squares and freeze. Bread should be served a bit warm as your birdies will love it much more that way!
